

To all AFAA members,

Following are the three examples as discussed in our 11/27/01 General Meeting on the NICET stamp for DCRA projects:

<h3>Fire Alarm Shop Drawings</h3>	
<p>This shop drawing was prepared by <Company Name> based on the design prepared by <Engineer of Record> as shown on drawings XX, XX dated XX-XX-XX. The equipment submittals and shop drawings for this project were prepared under my direction:</p>	
(Signature)	11/8/01
-----	-----
John Doe, SET Job Title NICET Certification #XXXXXX	Date

<p>These drawings and calculations have been reviewed and found to be in compliance with all applicable codes and all Baltimore County Requirements.</p> <p>John Doe NICET Level III - Cert # XXXXXX</p>
--

<p>This fire alarm shop drawing was prepared for equipment applications only. The information contained herein is intended to aid in the installation of this system. No design changes have been made to the engineer of record's contract drawings.</p>
